25X1 5. [redacted] Office of Logistics, called to advise that Mr. [redacted] will testify before Senator Dodd's Juvenile Delinquency Subcommittee on Senator Dodd's gun legislation on 27 July and testify before House Ways and Means Committee concerning the amendments to the Federal Firearms Act on 28 July. [redacted] will be arriving sometime during the 16th of July. I told Mr. Harris that as previously agreed, [redacted] will speak to Senator Dodd to alert him along the lines previously agreed to and that [redacted] will see to it that either he, Mr. Warner, or [redacted] touches base with the Ways and Means Committee and that we would advise him of the outcome of the sessions.

25X1 6. [redacted] Called Mr. Peter Gerardi, House Science and Astronautics Committee, in an effort to set up a meeting for him, 25X1 Mr. [redacted] and myself concerning the foreign country space study being conducted by Mr. Gerardi. I indicated to Mr. Gerardi that this was a follow up to my earlier meeting with him but that, as he realizes, this was a sensitive area and felt that a brief meeting with a substantive man from the Agency would help clarify the type of material needed to satisfy Gerardi's requirements. Mr. Gerardi indicated that he would be free Monday afternoon. [redacted] will call Gerardi Monday to set a firm time.

25X1 7. [redacted] Mr. Francis Kilroy, in the office of Representative Leo T. O'Brien, called concerning a former Agency employee, 25X1 [redacted] The inquiry closely followed one that we received from Senator Robert Kennedy's office and, after discussing the matter with him briefly, Mr. Kilroy indicated that he was fully satisfied and there would be no need to be in communication with their office on this matter.
